With over 40 hospitals across the country, over 5000 beds and 48000 surgical procedures in the last year alone, Fortis is one of India's largest healthcare and Asia's fastest growing networks.

The Fortis Hospital at Noida, near Delhi, is a centre of excellence in Orthopaedics and Neuroscience with additional focus on Cardiac Sciences, Minimal Access Surgery and Oncology.

The second mega hub hospital, in the Fortis Healthcare group, in the Delhi region, it has 200 beds and seven of operation theatres.

Fortis Hospital is a facility that is approved by the world's leading providers of medical insurance, including Aetna, BUPA, Cigna, GMC, HTH Worldwide, Vanbreda and World Access and was recently ranked first among Medical Tourism Hospitals globally by MTQUA (Medical Travel and Health Tourism Quality Alliance).

The hospital's commitment to patient welfare and providing quality healthcare is reflected in the allocation space far above the current Indian norm of 800-900 sq.ft per bed. This allows for flexibility to adapt and accommodate future trends of patient care.
