

Dr. M.C. (Vipin) Uthappa,

MBBS, FRCS, FRCR

Dr Uthappa qualified as a doctor in 1993. He went on to specialize in **both** Surgery and Interventional Radiology. He thus brings to his patients the surgeon's knowledge of anatomy and the Interventional Radiologist's skills with angiograms, angioplasties, embolisations, etc. This fusion of two different skill sets in the same individual gives Dr Uthappa a unique perspective in difficult situations and a sharper edge in correct decision making.

Dr Uthappa is currently Director of Interventional Radiology and Director of Interventional Oncology of three super speciality hospitals located in the cities of Bangalore, Chennai and Hyderabad
